## Top Team 2010

Top Team 2009 saw the launch of an exciting new regional sporting event with an emphasis on encouraging 'every day' people to take part, get active and have fun. Heats were held in Motueka, Murchison and at Saxton Field where teams battled it off in 15 fun-filled challenging games. The final, held at the Moutere Hills Community Centre was won by Rotoiti's Lakers team (which qualified at Murchison). As a result, Lakers took home the inaugural Top Team trophy.

Preparations have already started for the 2010 series, with sponsorship being sought. Three heats will again be run in the region to make the event as inclusive as possible. This year the intention is to expand the competition by introducing a junior section (8-15 years). The junior section would be held in the morning and the senior (16plus) section will run in the afternoon.

To accommodate the extra section the number of games will be reduced to 12 per section. The heats will be followed by the finals where the top four teams from each heat battle it out for the Top Team trophy.

Top Team dates 2010: Heat 1 - Motueka Recreation Centre, Saturday, October 16th. Heat 2: Saxton Field, Saturday, October 30th. Heat 3: Murchison Sport, Recreation and Cultural Centre, Saturday, November 13th. Finals: Moutere Hills Community Centre, December 12th.

Top Team 2009 was a fundraising event for the Motueka Recreation Centre, Moutere Hills Community Centre, Sport Tasman and the Murchison Sport, Recreation and Cultural Centre. These non-profit organisations work hard to provide events, facilities and activities for the region. All funds raised for this event will go towards covering costs associated with equipment for the games, advertising, prizes and donations for volunteers.
